OUR BRANDS

ABOUT US

Since 1995, Precision Auto Fasteners has been a leading manufacturer of high-quality cold and hot forged fasteners, serving various industries across India. Our commitment to excellence and innovation has earned us a reputation for reliability and superior performance.

Certified under ISO 9001:2015 and ZED, we specialize in producing fasteners that meet international standards and are customized to meet specific client needs. Our state-of-the-art infrastructure and advanced technology ensure that we consistently deliver products that surpass our customers' expectations.

We proudly market our products under two renowned brands, "PAF" and "IAF". These brands stand as symbols of our dedication to quality and customer satisfaction, trusted by clients for their exceptional performance and reliability.

At Precision Auto Fasteners, we prioritize continuous improvement and innovation. Our team of skilled professionals is passionate about providing exceptional customer service and innovative solutions to meet your fastener needs. We are committed to maintaining our position as an industry leader by delivering high-quality products and ensuring complete customer satisfaction.

Experience the excellence and reliability of Precision Auto Fasteners through our trusted brands, "PAF" and "IAF".

- 1 Why?** 25+ years of experience.

- 3 Why?** Wide range of fasteners
- 4 Why?** Excellent Distribution Network
- 5 Why?** Qualitative Fasteners

Vision

“Our vision is to be the beacon of reliability in fastening solutions, securing connections with precision. ”

Mission

“Our mission is to provide innovative, high-quality fasteners that streamline assembly processes and enhance productivity for our customers.”

Quality Policy

At Precision Auto Fasteners, we hold ourselves to the highest standards of quality, believing that our commitment to quality is key to customer satisfaction. Our advanced testing equipment includes state-of-the-art tools and machinery such as digital micrometers, hardness testers, profile projectors, and salt spray chambers. These tools allow us to measure and analyze our fasteners with the highest precision and accuracy.

We understand that quality is crucial to our success and our customers' satisfaction. Therefore, we always strive to provide high-quality products that meet or exceed industry standards. We are committed to achieving customer satisfaction through quality procedures that meet or exceed the requirements of ISO 9001:2015.
